Program Learning Outcomes

Upon successful completion of this program, students will be able to:

- · Develop foundational skills and knowledge of best practices in pedagogy and curriculum development.
- Experience and evaluate the academic environment as a workplace.
- · Network and advocate within local K-12 classrooms.
- · Obtain the content and academic knowledge necessary to be successful in a four-year teacher education program.
- · Evaluate and reflect upon their ability to become an effective teacher.
- · Understand the ethical responsibility and moral compass necessary to be a successful education professional.
