Minimum Credit Hours Required		60

¹ Students must complete at least 12 credits of their general education courses at the College of Western Idaho in order to meet the residency requirement for graduation.

² Students must verify completion of an eligible apprenticeship program in order to receive instructional-based prior learning assessment (PLA) credit for this course. Credits will be granted based upon the verified number of classroom hours that were completed as a part of their apprenticeship program. Students seeking PLA credit must first meet with their advisor.

³ Students must verify completion of an eligible apprenticeship program in order to receive experiential-based PLA credit for this course. Credits will be granted based upon the verified number of on-the-job training hours completed as a part of their apprenticeship program. Students seeking PLA credit must first meet with their advisor.

NOTE: This program is not yet approved for GI Bill® use.
