<sup>1</sup> DENT 101 Dental Materials and Procedures has a prerequisite of completion of or placement into ENGL 101 Writing and Rhetoric I through the Write Class Placement Exam. If students do not place high enough on the exam, they will need to complete ENGL 101 during the summer term prior to starting their major courses in the fall. Students should take the Write Class Placement Exam immediately upon acceptance to CWI to determine whether or not they will need to take ENGL 101.
