FERMENTATION SCIENCE -ACADEMIC CERTIFICATE (AC)

Explore More About This Program: https://cwi.edu/program/ fermentation-science

Program Learning Outcomes

Upon successful completion of this program, students will be able to:

- Possess knowledge and understanding of chemistry and microbiology as it relates to fermentation science.
- Use critical thinking and professional skills to explain scientific principles surrounding fermentation science.
- · Understand the process of science and evidence-based approaches to address questions and evaluate problems within the fermentation industry.
