Program Learning Outcomes

Upon successful completion of this program, students will be able to:

- Understand the importance of ethical and moral behavior associated with the law enforcement field.
- Demonstrate competency with employing techniques and methods used by police officers, including written and oral communication.
- Demonstrate an understanding of Idaho law as it pertains to the criminal code, traffic code, criminal procedures, and rules of evidence.
- Demonstrate proficiency in the use of law enforcement equipment.
- Demonstrate critical thinking, problem resolution, and decision-making skills as they relate to the performance of police duties.
- Demonstrate the competencies and physical fitness required to meet standards of Idaho P.O.S.T criteria.
- Increase their hirability and promotability by broadening their knowledge in verbal communication and understanding of people.
- Increase their ability to be hired, promoted, and transferred within law enforcement by broadening their knowledge of the entire criminal justice system and by developing the ability to write with critical attention to purpose, audience, and style.

NOTE: Students will be trained utilizing the Idaho Peace Officer Standards and Training (P.O.S.T) curriculum, which meets standards outlined to be eligible for P.O.S.T. certification.
