Program Learning Outcomes

Upon successful completion of this program, students will be able to:

- Understand the methods of inquiry and research that will prepare them to navigate upper-division coursework.
- Write effectively in a variety of rhetorical contexts, paying attention to audience, voice, and style appropriate to an academic research setting.
- Demonstrate higher-order thinking skills including analysis, synthesis, and creativity.
- Reflect on their learning experiences and create a project that synthesizes and communicates what they have learned over the course of their program of study.
- Contemplate and communicate diverse perspectives from multiple disciplines within their field of study.
