## Degree Plan: Fall Start

The course sequence listed below is strongly recommended in order to complete your program requirements. Many Career and Technical Education (CTE) courses have prerequisites and/or corequisites that have been accounted for within this course sequence plan. Please register for your major requirements each semester as shown below using the Student Planning tool in myCWI. Consult your advisor for any questions regarding this plan.

NOTE: General education courses may be completed during any semester the student prefers, including summer semesters, unless they required for program admission.

<sup>1</sup> The Physical Therapist Assistant AAS is a competitive entry program. Although these courses may be taken after program entry, preference will be given to students who have completed all general education courses with high grades prior to submitting a program application.

<sup>2</sup> BIOL 228 Human Anatomy and Physiology II and BIOL 228L Human Anatomy and Physiology II Lab must have been completed within the past seven years or a request for a waiver is approved. In order to waive the seven-year requirement for lab sciences, a student must demonstrate that other relevant coursework or work experience was completed within the past seven years. See [program web page](#) for additional information.

**NOTE: All courses listed under Major Requirements must be completed with a grade of C or higher.**
