Students must select an "E" designated (Ethical Reasoning) course to fulfill one of their General Education requirements.

¹ Spanish majors are encouraged to take the Math Diagnostic upon acceptance to CWI if they did not submit ACT or SAT scores for math placement. The Math Diagnostic will inform the student if a review course such as MATH 097, MATH 098, or MATH 099 is needed prior to enrolling in their chosen GEM 3 course.

² Must include a lab component.

³ The general education (GE) and elective courses listed above are recommended by the department as the most beneficial course options for students in this program. **Please note that students may fulfill their GE requirement by completing another course from within the applicable general education category and may fulfill their elective requirement by completing any other course of their choosing.**

⁴ Course must come from a different discipline.
