^{*}Students must select an "E" designated (Ethical Reasoning) course to fulfill one of their General Education requirements.*

1

- Students do not have to take ARTS 105 before taking ARTS 106.
- Students do not have to take ARTS 101 before taking ARTS 102.
- This general education (GE) course is recommended by the department as the most beneficial GE option for students in this program. Please note that students may fulfill their GE requirement by completing another course from the applicable general education category.
- If transferring, consult transfer institution for possible degree requirements. (NOTE: Both PHIL 101 Introduction to Philosophy and PHIL 103 Introduction to Ethics fulfill the Ethical Reasoning requirement for an associate degree from CWI.)
- Course must come from a different discipline.
- Must include a lab component.
- It is recommended that students take ARTS 290 Studio Art Capstone in their last semester at CWI. In order to enroll in the course, students must have successfully completed the following courses: ARTS 101, ARTS 102, ARTS 105, ARTS 215, and ARTS 231.
- If transferring, consult transfer institution for possible degree requirements. NOTE: All of the program elective courses (other than ARTS 150 Digital Photography I) have prerequisites. Students should review the course descriptions carefully to learn what the prerequisites for each course are

Students who plan to transfer should select general education and elective courses based on the needs of their transfer institutions. See 2+2 agreements with the appropriate institution for more information.
